12 Defendant.

Case No. 16-cv-00303-JD

**ORDER ADOPTING REPORT AND  
RECOMMENDATION**

Re: Dkt. No. 14

12  
13 On April 7, 2016, Magistrate Judge Maria-Elena James issued a report and  
14 recommendation on plaintiff's pending motion for default judgment (Dkt. No. 11), after requiring  
15 plaintiff to file a supplemental declaration to support its calculation of claimed damages and  
16 interest (Dkt. No. 12). Dkt. No. 14. No objections have been filed in response to the report, and  
17 the time to file objections has expired. *See* Fed. R. Civ. P. 72(b); 28 U.S.C. § 636(b)(1). The  
18 Court has carefully reviewed the report and finds it to be thorough and well-reasoned. The Court  
19 consequently adopts the report and recommendation in full.

20 For the reasons set forth in Magistrate Judge James's report, the Court grants plaintiff  
21 IntelePeer Cloud Communications, LLC's motion for default judgment. The Court awards  
22 plaintiff (1) principal in the amount of \$142,493.41 and (2) interest at the rate of 1.5% per month  
23 compounded monthly, through the date of judgment. The clerk will enter judgment and close the  
24 case.

25 **IT IS SO ORDERED.**

26 Dated: May 9, 2016
